About Us:

The 10-4 Corporation is a Human Rights Organization focused on “Bringing Divided Societies Together.” The Board of Directors is composed of a diversified group of individuals from various communities that is a mirrored reflection of the American Melting Pot. The non-profit organization promotes peace, harmony, justice, and reconciliation in America. The desired outcome of the 10-4 Corporation is to focus on racial reconciliation by inspiring all individuals to take a deeper look at race relations in their own community. Everyone is encouraged to overcome prejudice and to erase the bitter taste left by years of discord between the eclectic groups of people living in America.
